MODERATOR

Wow! What an opening! It is now
Yale's turn for their opening
statement.

YALE DEBATER

Uh huh. I yield my time.

HARVARD MOM

What's going on here?

MODERATOR

Now we have a debate! Harvard can
now cross examine Yale's argument.

HAVARD

Yale takesies-backsies when we
traded deserts a lunch. They would
just takesies-backsies a carbon tax
credit trade as well! I yield my
time.

MODERATOR

Does Yale's have a rebuttal to this
attack?

YALE

My mom said I can't eat nuts and
Harvard said their brownies didn't
have nuts but they did!

Yale turns to the audience.

YALE (CONT'D)

Isn't that right mom?

YALE MOM

(from the audience)

That's right honey!

Harvard mom looks incredulously at Yale Mom.

Yale turns back to the moderator.

YALE

(smugly)

I yield my time.

MODERATOR

Incredible defense!

HARVARD MOM

Was it?

MODERATOR

No interruptions please! Lets keep
this debate civil. Yale, continue.

YALE
Harvard is a four eyes nerd. All
the cool kids support tradable
carbon tax credits. I yield my
time.

MODERATOR
Excellent repost. Harvard, your
rebuttal?

HARVARD
Well if I'm a nerd, then Yale's a
nerd too. They got an A on their
last test --

Incredible! Harvard has struck a
crippling blow.

YALE
(pulling it back together)
MY mom is a lawyer and she's going

(to the audience)
Right mom?

YALE MOM
(from the audience)
Whatever you say honey!

HARVARD MOM
(to Yale Mom)
Is this not at all weird what's
happening?

Other mom gives Mom a disapproving look.

YALE

And your going to be in big trouble
when she does! I yield my time.

HARVARD

You can't sue me! That's against
the 5th abendment!

YALE

Well my mom is going to repel the
5th abendment and THEN sue you!

HARVARD MOM

Are they saying "abendment"?

MODERATOR

What a performance from both schools! Now it is time for our traditional mid debate juice break and nap. We'll reconvene in 3 hours for closing arguments.

HARVARD MOM

I can't believe how much we're paying for this...
