INT. OFFICE - DAY

JHISHAN is in the breakroom, refilling his cup with coffee.  
JHISHAN walks in with his own empty coffee cup.

DAVE

Hey Jhishan! How was your rafting  
in Montana?

EXT. RIVER - DUSK

Jhishan and his group of 3 other rafters are wading to shore.  
Their deflated raft is wrapped around a set of jagged rocks,  
uselessly knocked around by the rapids. As the last of the  
survivors make it to shore, wolves are heard howling in the  
distance.

INT. OFFICE - DAY

JHISHAN

It was a pretty fun adventure! We  
got to see a lot of the local wild  
life.

EXT. FOREST - NIGHT

Jhishan and the 3 other rafters are running through the  
forest with only a single flashlight for light. The howling  
is right next to them. One of the rafters stumble on a tree  
root and is quickly taken by a black shadow.

INT. OFFICE - DAY

DAVE

You were gone for a while

JHISHAN

Yeah, we just had so much fun out  
there is we couldn't go back ya'  
know?

EXT. FOREST - NIGHT

Jhishan and the two surviving rafters are drawing straws
