INT. STARTUP OFFICE - DAY [SILENT]

WOMAN, MAN1, AND MAN2 are standing in the office's kitchen, talking to each other.

WOMAN says something.

MAN1 and MAN2 laugh.

WOMAN laughs along and then slowly starts sniffing the air.

MAN1 is now also sniffing the air.

WOMAN and MAN1 both have a grimace on their faces but are trying to be polite and nonchalant about it.

MAN2 scratches the back of his neck.

WOMAN goes over to a nearby sign. It says "38 days without an accident".

WOMAN takes off the numbers on the sign and throw them in the garbage. The sign now says "0 days without an accident".
